BİLGİLER

General Information

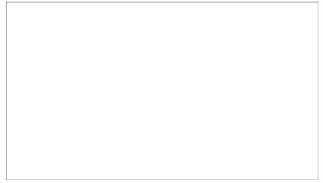

- Malzeme uygulanmadan önce ürün kutularının üzerindeki açıklamalar ve kutuların içerisinde yer alan uygulama ve kullanma kılavuzları dikkatle okunmalıdır.
- Katalogta ürünlerin renkleri baskı sebebiyle orijinal ürünlerden farklı olabilir.
- Doğal taşlar doğal ürünlerdir, özellikleri gereği kutudan kutuya renk ve dokularında farklılıklar görülebilir. Eskime ürünlerde üretim tekniği sebebiyle ölçülerde küçük farklılıklar oluşabilir.
- Malzemenin uygulanmasıyla ilgili daha detaylı bilgi için bayinize danışınız.
- Genel olarak, beyaz ve açık renkli ürünler için beyaz fayans yapıştırıcı kullanılması önerilir.
- Yapıştırıcı, ürünün alt yüzeyine ve tüm uygulama alanına eşit biçimde yayılmalıdır.
- Tüm ürünler montaj öncesi kontrol edilmelidir.

- Please read the information on the box before installation!
- Pictures in print may make natural stone appear different from the actual product.
- Natural stone will vary from one piece to another and from one box to another in color, texture and veining. Antiqued natural stone will also show small variations in size.
- Please contact your sales person for more information on application and techniques
- When using white or light colored stone we recommend that you use a white tile adhesive.
- Tile adhesive must be spread evenly over the entire surface area where tiles will be installed.
- It is recommended that natural stone is laid out and inspected before installation.
